3. For a corporate policy, please upload a cancelled cheque with the employee's name printed. For individual or floater policies, upload a cheque with the proposer's name. In the event of the employee's or proposer's demise, submit a cancelled cheque with the nominee's name, along with the nominee's ID proof and legal heir certificate.
5. You are requested to scan & upload the following documents received from the hospital. Additional documents may be required as applicable:
 - a) Original discharge summary
 - b) Original final hospital bill with item wise break-up
 - c) Original paid receipt against the final hospital bill
 - d) For Accidental cases
 - 1) MLC/FIR copy (If applicable)
 - 2) Alcohol history (If applicable)
 - e) Investigation reports (like X-Ray/MRI/CT Scan etc)
 - f) Attested copy of indoor case papers
 - g) In case of implant surgery, invoice & sticker
 - h) For claims amounting to Rs.1 lakh or above, please provide a copy of one of the following KYC documents: Aadhaar Card, Passport, Driving License, or Voter ID. Ensure the address on the KYC document matches the policy address.

Cashless Claim Process

1. To locate the nearest cashless network hospitals, download the Care Health - Customer App by clicking here <https://careinsurance.app.link/xc8JGD1rNPb> or visit on the portal by clicking <https://www.careinsurance.com/health-plan-certified-network-hospitals.html>
2. Contact the hospital's insurance help desk or billing counter with a copy of patient's medical ID card, e-health card, pre-authorization form and a valid government ID proof. Your e-card can be accessed anytime by downloading the Care Health - Customer App.
3. Once submitted, the hospital's billing counter or TPA desk will forward the documents to us for pre-authorization approval.
4. If any information is incomplete or missing, we may reach out to the hospital for clarification.
5. A pre-authorization decision will be provided after reviewing the documents in accordance with policy terms and conditions.
6. Post treatment discharge summary and other related documents are submitted by the hospital/ TPA to us for final approval.
7. We will assess the bills based on the sum insured and plan terms & conditions and settle the payment directly with the hospital.
